ABOUT END CITIZENS UNITED AND FIGHT FOR REFORM

End Citizens United (ECU) is dedicated to fixing our broken political system by ending the tidal wave of unlimited and undisclosed money that has damaged our democracy, and by securing and defending the right of every American to vote.

ECU is a community of more than 4 million Americans who are passionate about these reforms. Our supporters are active and engaged in the political process as a progressive grassroots community dedicated to electing reform champions.

Fight for Reform (FFR) is ECU's project to support these champions at the state level.

ABOUT THIS SURVEY

FFR will use this questionnaire as well as past and current votes, statements, and actions on campaign finance issues to inform our candidate endorsement process.

FFR takes a comprehensive approach toward addressing the threats to our democracy. There are many avenues to fixing our broken political system: confirming judges and justices who will reject partisan attacks on voting rights and campaign finance laws, passing legislation and regulation that will proactively address these problems and defend Americans' rights, and even enacting targeted constitutional amendments at the federal and state levels.

Kindly return your completed questionnaire by sending a signed copy to Inbox@FightForReform.org. Your answers to this questionnaire, as well as any endorsements made by Fight For Reform, will be released to the public.
